Sering to work like a man eterting up a long mountain on a run and kicked when out of breath by the President's donkey message, Congress soddenly adjourned on the fourth day.

The fact was that everybody wanted to viatt everybody disa and compare "slates" and opinions. We nevie quite overcome that borish propently to "lost" logother active holdsy, even when Congressment; and politicisms are generally toyish propie, crude, though worldy, feed of a grin and a "washaw." COMING PORTHERS.

This was the way the Congressmen came together: Sweepeascus, the member from the Watash Datrict, got out of the street car on the Senate Bank of the Capital, and his checks were glowing hise a young lover's on the way to see his girl. He shot down the sides and lobbies, and had no sooner reached the door of the House than there was areas for him.

reacted the door of the House than there was are in the him.

"Hallo ! Cack, !"

"Way, Presse, you're on time.!"

"Yes! Glast to get back. Glast to see you all! How's it off for a quorum?"

Up comes Recepoatous' half-comp? Precontall, from the Kackaskia, District, calamed not to be conful and pastly releasing from pare buyishness. Then sit the time schange from pare buyishness. Then sit the time schange buyints:

"You had a dreadful run to make, Cack !"

"You had a graper's and rectifiers raised a pure against me. I swept the decutrick by main strength."

"You had that strength of General Jacks on at disals, of course, Cask !"
